This Notice has been sent to you pursuant to Rule 23 of the Federal Rules of Civil procedure and an Order of the United States District Court for the Central District of California (the “Court”). The purpose of this Notice is to inform you of the pendency and proposed partial Settlement of this class action litigation and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the settlements. This Notice is not intended to be, and should not be construed as, an expression of any opinion by the Court with respect to the truth of the allegations in the action pending before the Court entitled *In re Homestore.com, Inc., Securities Litigation*, Master File 01-CV-11115 SVW (CWx) (the “Litigation”), or the merits of the claims or defenses asserted. This Notice describes the rights you may have in connection with this Settlement and what steps you may take in relation to the Settlement and this class action litigation.

The proposed settlements create a fund in the amount of \$7,965,000.00 in cash (the “Settlement Fund”) and will include interest that accrues on the fund prior to distribution. Your recovery from this fund will depend on a number of variables, including the number of shares of Homestore common stock you purchased or acquired during the period January 1, 2000 to December 21, 2001, and the timing of your purchases and any sales. Of this sum, and pursuant to the Stipulations of Settlement and the order of the Court, \$350,000.00 may be used to provide notice to Class Members and to administer the distribution of the Settlement to Class Members.

Lead Plaintiff and Time Warner Inc. (“Time Warner”), Max Worldwide, Inc., formerly known as L90, Inc. (“L90”), and Peter Tafeen (“Tafeen”), do not agree on the average amount of damages per share that would be recoverable if the Lead Plaintiff were to have prevailed on each claim alleged. The issues on which the parties disagree include: (1) the appropriate economic model for determining the amount by which Homestore common stock was allegedly artificially inflated (if at all) during the Class Period; (2) the amount by which Homestore common stock was allegedly artificially inflated (if at all) during the Class Period; (3) the effect of various market forces influencing the trading price of Homestore common stock at various times during the Class Period; (4) the extent to which external factors, such as general market and industry conditions,

influenced the trading price of Homestore common stock at various times during the Class Period; (5) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the trading price of Homestore common stock at various times during the Class Period; (6) the extent to which the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the trading price of Homestore common stock at various times during the Class Period; and (7) whether the statements made or facts allegedly omitted were material, false, misleading or otherwise actionable under the securities laws.

The Lead Plaintiff believes that the proposed settlements are a good recovery and are in the best interests of the Class. Because of the risks associated with continuing to litigate and proceeding to trial, there was a danger that Plaintiffs would not have prevailed on any of their claims, in which case the Class would receive nothing. The amount of damages recoverable by the Class was and is challenged by Time Warner, L90 and Tafeen. Recoverable damages in this case are limited to losses caused by conduct actionable under applicable law and, had the litigation gone to trial, Time Warner, L90 and Tafeen would have asserted that all or most of the losses of Class Members were caused by nonactionable market, industry or general economic factors. Time Warner, L90 and Tafeen would also assert that throughout the Class Period the uncertainties and risks associated with the purchase of Homestore common stock were fully and adequately disclosed.

Lead Plaintiff's Counsel **will** apply to the Court for attorneys' fees, not to exceed 10.5% of the Settlement Fund. In addition, Lead Plaintiff's Counsel will seek **full reimbursement** of out-of-pocket expenses incurred to date in prosecuting this litigation and will seek distribution from the Settlement Fund of costs associated with providing notice of this Settlement, administering claims associated with this Settlement and other related expenses to the extent that those expenses exceed the \$350,000.00 which the Stipulation of Settlement and this Court's order permitted to be used for notice to the Class and administration of the Settlement Fund. The Court will consider the attorneys' fees and costs petition separate from its consideration of the fairness, reasonableness and adequacy of the Settlement set forth in the Stipulation. Therefore, any order relating to attorneys' fees and costs will not delay the Settlement approval process.

For further information regarding this Settlement you may contact, Claims Administrator, In re Homestore.com, Inc. Securities Litigation, c/o Rust Consulting, Inc., P.O. Box 1670, Faribault, MN 55021-1670 or by calling toll-free at: 1-866-216-0264 or by visiting www.homestoresettlement.com.

I. NOTICE OF HEARING ON PROPOSED SETTLEMENT

A final approval hearing will be held on December 3, 2007 at 1:30 p.m. before the Honorable Stephen V. Wilson, United States District Judge, at the United States Courthouse Central District of California, 312 N. Spring St., Los Angeles, CA 90012 (the "Final Approval Hearing"). The purpose of the Final Approval Hearing will be to determine: (1) whether the Settlement consisting of \$7,965,000.00 in cash should be approved as fair, reasonable, and adequate to the Settling Parties; (2) whether the proposed plan to distribute the Settlement proceeds (the "Plan of allocation") is fair, reasonable, and adequate; (3) whether the application by Lead Plaintiff's Counsel for attorneys' fees, not to exceed 10.5% of the Settlement Fund and **full reimbursement** of its out-of-pocket expenses should be approved; and (4) whether the Litigation should be dismissed with prejudice as to Time Warner, L90 and Tafeen. The Court may adjourn or continue the Final Approval Hearing without further notice to the Settlement Class.

By order dated March 25, 2002, the Court appointed the California State Teachers' Retirement System ("CalSTRS") Lead Plaintiff. The Court approved Lead Plaintiff's approval of the law firm of Cotchett, Pitre, Simon & McCarthy (now known as Cotchett, Pitre & McCarthy) as Lead Counsel on May 30, 2002.

The operative complaint in the Litigation is the Second Amended Consolidated Complaint for Violations of Federal Securities Laws (the "SACC"), filed January 10, 2007. The SACC alleges violations of §§ 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b5 promulgated thereunder on behalf of a class of purchasers of Homestore common stock during the period January 1, 2000 through December 21, 2001.

V. CLAIMS OF THE LEAD PLAINTIFF AND BENEFITS OF SETTLEMENT

Lead Plaintiff believes that the claims asserted against Time Warner, L90 and Tafeen in the Litigation have merit and that the evidence developed to date supports the claims. However, counsel for the Lead Plaintiff recognizes and acknowledges the expense and length of continued proceedings necessary to prosecute the Litigation against Time Warner, L90 and Tafeen through trial and through appeals. Counsel for the Lead Plaintiff also has taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Litigation, as well as the difficulties and delays inherent in such litigation. Counsel for the Lead Plaintiff also is mindful of the inherent problems of proof under, and possible defenses to, the securities law violations asserted in the Litigation. Counsel for the Lead Plaintiff believes that the Settlement set forth in the Stipulation confers substantial benefits upon the Class. Based on its evaluation, counsel for the Lead Plaintiff has determined that the Settlement set forth in the Stipulation is in the best interests of the Lead Plaintiff and the Class.

VI. STATEMENTS AND DENIALS OF WRONGDOING AND LIABILITY

1. Time Warner has denied and continues to deny each and all of the claims and contentions alleged by the Lead Plaintiff in this Litigation. Time Warner expressly has denied and continues to deny all charges of wrongdoing or liability against it arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation. Time Warner also has denied and continues to deny, *inter alia*, the allegations that the Lead Plaintiff or the Class have suffered damage, that the price of Homestore common stock was artificially inflated by reasons of alleged misrepresentations, nondisclosures or otherwise, or that the Lead Plaintiff or the Class were harmed by the conduct alleged in the Complaint.

Nonetheless, Time Warner has concluded that further conduct of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation. Time Warner also has taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Litigation. Time Warner has, therefore, determined that it is desirable and beneficial to it that the Litigation be settled in the manner and upon the terms and conditions set forth in the Stipulation.

2. L90 has denied and continues to deny each and all of the claims and contentions alleged by the Lead Plaintiff in this Litigation. L90 expressly has denied and continues to deny all charges of wrongdoing or liability against it arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation. L90 also has denied and continues to deny, *inter alia*, the allegations that the Lead Plaintiff or the Class have suffered damage, that the price of Homestore common stock was artificially inflated by reasons of alleged misrepresentations, nondisclosures or otherwise, or that the Lead Plaintiff or the Class were harmed by the conduct alleged in the Complaint.

Nonetheless, L90 has concluded that further conduct of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation. L90 also has taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Litigation. L90 has, therefore, determined that it is desirable and beneficial to it that the Litigation be settled in the manner and upon the terms and conditions set forth in the Stipulation.

3. Tafeen has denied and continues to deny each and all of the claims and contentions alleged by the Lead Plaintiff in this Litigation. Tafeen expressly has denied and continues to deny all charges of wrongdoing or liability against it arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Litigation. Tafeen also has denied and continues to deny, *inter alia*, the allegations that the Lead Plaintiff or the Class have suffered damage, that the price of Homestore common stock was artificially inflated by reasons of alleged misrepresentations, nondisclosures or otherwise, or that the Lead Plaintiff or the Class were harmed by the conduct alleged in the Complaint.

Nonetheless, Tafeen has concluded that further conduct of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation. Tafeen also has taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Litigation. Tafeen has, therefore, determined that it is desirable and beneficial to it that the Litigation be settled in the manner and upon the terms and conditions set forth in the Stipulation.

VII. TERMS OF THE PROPOSED SETTLEMENT

Time Warner has paid or will cause to be paid into an escrow account, pursuant to the terms of the Stipulation of Settlement dated as of May 14, 2007 (the "Stipulation"), cash in the amount of \$6,500,000.00, which has been earning and will continue to earn interest for the benefit of the Class.

L90 has paid or will cause to be paid into an escrow account, pursuant to the terms of the Stipulation of Settlement dated as of July 1, 2007 (the "Stipulation"), cash in the amount of \$1,440,000.00, which has been earning and will continue to earn interest for the benefit of the Class.

Tafeen has paid or will cause to be paid into an escrow account, pursuant to the terms of the Stipulation of Settlement dated as of June 25, 2007 (the "Stipulation"), cash in the amount of \$25,000.00, which has been earning and will continue to earn interest for the benefit of the Class. This is in addition to Tafeen's settlement with the Securities and Exchange Commission in which Tafeen paid \$2,678,910.00 to be distributed to the Class, and the \$240,000 paid by Tafeen as restitution for distribution to the Class in resolution of his criminal plea.

A portion of the Settlement proceeds will be used for certain administrative expenses, including costs of printing and mailing this Notice, the cost of publishing a newspaper notice, payment of any taxes assessed against the Settlement Fund and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Counsel for Lead Plaintiff to pay their fees, not to exceed 10.5% of the Settlement Fund and for **full reimbursement** of out-of-pocket expenses. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed to Class Members who submit valid and timely Proof of Claim forms according to the Plan of allocation described below.

VIII. THE RIGHTS OF CLASS MEMBERS

If you are a Class Member, you may receive the benefit of the Settlement if you file a Proof of Claim and Release, postmarked on or before November 29, 2007. If the Court approves the Settlement, you will be bound by its terms described in section VII, above.

If you are a Class Member, you have the following options:

1. You may file a Proof of Claim as described below. If you choose this option, you will remain a Class Member, you will share in the proceeds of the proposed Settlement if your claim is timely and valid and if the proposed Settlement is finally approved by the Court, and you will be bound by the Judgment and release described below.
2. **IF YOU PREVIOUSLY SUBMITTED A TIMELY AND VALID PROOF OF CLAIM WITH REGARD TO THE SETTLEMENT WITH HOMESTORE AND/OR WITH THE INDIVIDUAL DEFENDANTS, SHEW, GIESECKE, DeSIMONE, KALINA, LOSH AND ROSENBLATT AND/OR WITH PRICEWATERHOUSECOOPERS LLP, AND YOU WISH TO BE INCLUDED IN THIS SETTLEMENT WITH TIME WARNER INC., AND BE BOUND BY THE JUDGMENT AND RELEASE, YOU ARE NOT REQUIRED TO COMPLETE ANOTHER CLAIM FORM OR RETURN ANOTHER RELEASE. THE INFORMATION CONTAINED IN THAT PREVIOUSLY SUBMITTED, TIMELY AND VALID PROOF OF CLAIM WILL BE CONSIDERED TIMELY AND VALID WITH REGARD TO THIS ADDITIONAL SETTLEMENT, AS WELL.**
3. You may object to the Settlement and/or the application of Lead Plaintiff's Counsel for attorneys' fees and reimbursement of expenses in the manner set forth below. The filing of a Proof of Claim by a Class Member does not preclude a Class Member from objecting to the Settlement. However, if your objection is rejected you will be bound by the Settlement and the Judgment just as if you had not objected.
4. You may do nothing at all. If you choose this option, you will not share in the proceeds of the Settlement, but you will be bound by any judgment entered by the Court, and you will be deemed to have, and by operation of the Judgment will have fully released all of the Settled Claims against the Released Time Warner Parties.

If you are a Class Member, you may, but you are not required to, enter an appearance through counsel of your own choosing at your own expense. If you do not do so, you will be represented by Lead Plaintiffs Counsel: Cotchett, Pitre & McCarthy, 840 Malcolm Rd., Suite 200, Burlingame, CA 94010.

IX. PLAN OF ALLOCATION

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proof of Claim Forms ("Authorized Claimants") under the Plan of allocation described below. The Plan of allocation provides that you will be eligible to participate in the distribution of the Settlement Fund only if you have a net loss on all transactions in Homestore common stock during the Class Period.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of allocation, Lead Plaintiff's Counsel has consulted with its damage consultants and the Plan of allocation reflects an assessment of the damages that it believes could have been recovered had plaintiffs prevailed at trial.

To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant will be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner will be deemed conclusive against all Authorized Claimants.

A claim will be calculated as follows:

1. For shares of Homestore common stock that were purchased or acquired from January 1, 2000 through December 21, 2001;
 - (a) Price inflation per share of common stock during the Class Period would be based on market and industry-adjusted percentage declines in the price of Homestore common stock on November 2, 2001 and January 2, 2002. The inflation per share would be further adjusted on a pro-rated basis according to the amounts Homestore's financial statements were restated. Changes in price inflation occurred on the following dates: October 20, 2000, January 26, 2001, April 26, 2001, July 26, 2001, and October 3, 2001. (These dates correspond to the days Homestore's earnings reports or changes in guidance were originally released, or in the case of aftermarket announcements, the next trading day.)

(b) Inflation as a percentage of share price during the Class Period is calculated as follows:

- From January 2, 2000 through October 19, 2000: 3.6%
- From October 20, 2000 through January 25, 2001: 7.1%
- From January 26, 2001 through April 25, 2001: 17.8%
- From April 26, 2001 through July 25, 2001: 35.7%
- From July 26, 2001, through October 2, 2001: 57.1%
- From October 3, 2001 through November 1, 2001: 71.3%
- From November 2, 2001 through December 21, 2001: 36.7%

(c) Net dollar proceeds per share would be allocated as follows:

- (i) Multiply the above share percentage inflation applicable to the share purchase date by the share purchase paid;
- (ii) If the share was retained (not sold) after December 21, 2001, the net dollar proceeds are the amount calculated per (i) above;
- (iii) If the share was sold on or before December 21, 2001, multiply the above percentage inflation applicable to the share sale date by the sale price, and subtract that amount from the dollar value calculated per (i) above. The resulting amount is the net dollar proceeds;
- (iv) If the total amount calculated for all of one Class Member's transactions is negative, the net dollar proceeds equal zero.

The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Class Member on equitable grounds. Adjustments to the amount recovered by the Authorized Claimant could occur based on the amount of claims made.

Payment pursuant to the plan of allocation set forth above will be conclusive against all Authorized Claimants. No Authorized Claimant will have any claim against Lead Plaintiff's Counsel or any claims administrator or any Released Time Warner Parties, Released L90 Parties, or Tafeen, or other agent designated by Lead Plaintiff's Counsel or any Released Time Warner Parties, Released L90 Parties or Tafeen, or their respective counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the plan of allocation, or further orders of the Court. All Class Members who fail to complete and file valid and timely Proofs of Claim and/or Release will be barred from participating in distributions from the Settlement Fund (unless otherwise ordered by the Court), but otherwise will be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

X. PARTICIPATION IN THE SETTLEMENT

If you fall within the definition of the Class, you will be bound by any judgment entered with respect to the settlement of claims against Time Warner, the Released Time Warner Parties, L90, the Released L90 Parties or Tafeen in the Litigation whether or not you file a Proof of Claim or additional Release. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM AND RELEASE FORM THAT ACCOMPANIES THIS NOTICE.

IF YOU PREVIOUSLY SUBMITTED A TIMELY AND VALID PROOF OF CLAIM WITH REGARD TO THE SETTLEMENT WITH HOMESTORE AND/OR WITH THE INDIVIDUAL DEFENDANTS, SHEW, GIESECKE, DeSIMONE, KALINA, LOSH AND ROSENBLATT AND/OR WITH PRICEWATERHOUSECOOPERS LLP, AND YOU WISH TO BE INCLUDED IN THIS SETTLEMENT WITH TIME WARNER INC., L90, INC. AND PETER TAFEEN AND BE BOUND BY THE JUDGMENT AND RELEASE, YOU ARE NOT REQUIRED TO COMPLETE ANOTHER CLAIM FORM OR RETURN ANOTHER RELEASE. THE INFORMATION CONTAINED IN THAT PREVIOUSLY SUBMITTED, TIMELY AND VALID PROOF OF CLAIM WILL BE CONSIDERED TIMELY AND VALID WITH REGARD TO THIS ADDITIONAL SETTLEMENT, AS WELL.

The Proof of Claim and Release must be postmarked on or before November 29, 2007, and delivered to the Claims Administrator at the address below. Unless the Court orders otherwise, **if you do not timely submit a valid Proof of Claim, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Stipulation and the Judgment.**

XI. DISMISSAL AND RELEASES

If the Court approves the proposed settlements with Time Warner, L90 and Tafeen, the Court will enter a Final Judgment and Order of Dismissal with Prejudice with regard to Time Warner, L90 and Tafeen ("Judgment"). The Judgment will dismiss the Settled Claims with prejudice as to the Released Time Warner Parties, Released L90 Parties and Tafeen. The Judgment will provide that all Class Members will be deemed to have released and forever discharged all Settled Claims (to the extent Members of the Class have such claims) against all Released Time Warner Parties, Released L90 Parties and Tafeen.

XII. APPLICATION FOR FEES AND EXPENSES

If the Court approves the Time Warner, L90 and/or Tafeen settlements, Lead Plaintiff's Counsel **will** apply to the Court for an order allowing payment of attorneys' fees, not to exceed 10.5% of the Settlement Fund. Lead Plaintiff's Counsel will also seek **full reimbursement** of out-of-pocket expenses incurred during the prosecution of this litigation. The fee and cost approval process will be separate from the Settlement approval process.

In addition, as described in the Stipulation, Lead Plaintiff's Counsel will seek a distribution from the Settlement Fund, not to exceed \$350,000, to pay the cost of providing notice related to this Settlement, claims administration associated with the Time Warner, L90 and Tafeen settlements and other related expenses. Class Members are not personally liable for those expenses.

XIII. CONDITIONS FOR SETTLEMENTS

The settlements are conditioned upon the occurrence of certain events described in the Stipulations. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Stipulations; and (2) expiration of the time to appeal from or alter or amend the Judgment. If, for any reason, any one of the conditions described in the Stipulations are not met, the Stipulations might be terminated and, if terminated, will become null and void, and the parties to the Stipulations will be restored to their respective positions as of the date of Settlement.
